

# New publication from Early Education

## How children learn

The characteristics of effective early learning

By Nancy Stewart and with a foreword by Helen Moylett

**What** children learn is important but **how** children learn is even more important if they are to become learners for life in today's society. Governments are becoming more aware of the early years as the foundation for future life chances and achievement. In this book, Nancy Stewart brings her wealth of experience to help policy makers and practitioners articulate the importance of early childhood as a valuable stage in its own right as well as a preparation for the future.

£17.50 (including postage and packaging)

# ORDER FORM
